

**YOUTH OF SEATTLE!
ARE YOU INCREDIBLE?**

YES!

**DO YOU HAVE INCREDIBLE LEADERSHIP
SKILLS, A PASSION FOR THE ARTS, AND A
VISION FOR YOUR COMMUNITY'S FUTURE?**

OBVIOUSLY...

**APPLY TO BE ON THE ARTS
CORPS BOARD OF DIRECTORS!**

Arts Corps is a non-profit arts organization dedicated to battling racial and social injustice through the arts and providing free programming for K-12 students in King County. We have an incredible opportunity for 2 young leaders to join our Board of Directors.

The Arts Corps Board directs all the youth programming we offer, builds our vision for social justice and social change, and ensures that the entire organization listens to the communities and youth we serve. The board's responsibilities range from revolutionary strategy to the nuts-and-bolts of running an organization (budgeting and management).

As a member of the Board, you will have the chance to connect with local artists and activists, gain visibility in the community, and help shape this beloved organization. You will speak for yourself and your peers, and ensure that all the work we do is directed to liberating and invigorating the young leaders of today. You will have mentorship opportunities from fellow board members to grow your leadership skills, and to mentor other young folks in organizing. In addition, you will collect powerful experience for your education, work, and life.

We need you to keep us honest,
visionary,
& make sure all we do is dope as shit.
